Aircraft home base (See note 5):			
5. APPLICANTS DECLARATION			
<p>I the undersigned, am aware that it is an offence under the Bahamas Civil Aviation Act 2021 to make with intent to deceive, any false representation for the purpose of procuring the grant, issue or renewal of any certificate, licence, approval, permission or other document. I hereby declare that the particulars given on this application are true in every respect and I apply for the aircraft to be registered in the Bahamas.</p> <p>I agree to pay all charges in connection with this application and ongoing charges in accordance with the current Scheme of Fees.</p>			
Date:		Position held:	
Name of Applicant:		Signature of Applicant:	

Note: Refer also to Guidance Notes overleaf.

Guidance Notes for the Completion of this Application

1. This application must be signed by the aircraft owner, if an individual, company director or authorised representative holding a power of attorney.
2. If the aircraft is owned by more than one individual or company, please indicate the full names and addresses of all sharing ownership of the aircraft using a separate sheet.
3. The registered address given will be used on the Certificate of Registration. The correspondence address, if different from the registered address, will be used for the distribution of safety related information.
4. Aircraft operator:
 - (a) **Commercial Air Transport** means a person, organization or enterprise engaged in or offering to engage in an aircraft operation. This can be the aircraft owner or a subcontracted operations organisation.
 - (b) **General Aviation/Private/RPAS** means the person or entity, not being an air carrier, who has continual effective disposal of the use or operation of the aircraft. The natural or legal person in whose name the aircraft is registered shall be presumed to be the operator, unless that person can prove that another person is the operator, or the person who at the relevant time has the management of the aircraft or exercises operational control of the aircraft.
5. Home base: Location where aircraft spends most of its time, if different from the operator's address.
