FROM THE OFFICE OF THE DIRECTOR GENERAL - CIVIL AVIATION AUTHORITY BAHAMAS

INDUSTRY NOTIFICATION:

NEW AOC AND OPERATIONS SPECIFICATIONS FORMAT AND LAYOUT

This notification is to advise of the change in the format and layout of the Air Operator Certificate and Operations Specifications, to coincide with the amendments to Annex 6, Part I Paragraph 2 and 3.

These changes are necessary in order for the State to be in compliance with the ICAO Annexes and SARPS. As we continue to grow the Aviation sector in The Bahamas, there will be a need to make certain changes and amendments to our regulations, policies and industry best practices.

All recertified and new AOC holders' certificates, will be issued in this new format.

Please contact the Director of Operations, Civil Aviation Authority Bahamas, should you have any questions: donald.barrett@caabahamas.com
