PHASE 1

DOCUMENT SUBMISSION

Supporting Documents

- Completed application form No. PEL002-00 (see back of application form for guidance)

If all documents are not attached as required (valid, signed, legible or scanned clearly) or fields not completed correctly, you will receive a "Letter of Rejection", and your application package returned in full as submitted advising that the package is not acceptable for further processing due to the missing or incomplete document(s) that are required for submission.

The CAA-B will confirm the validity of all foreign medical and licence.

The processing of a satisfactory application package for an added rating(s) will commence upon receipt of satisfactory verification from the foreign Civil Aviation Authority (CAA). If the verification was not satisfactory, you will receive an email correspondence, with a "Letter of Rejection", stating specifics as per the issuing State.

PHASE 2

CAA-B TESTING REQUIREMENTS

An applicant for an added rating(s) to an existing CAA-B licence will be required to demonstrate their proficiency by submitting to a skill test administered by a CAA-B Inspector or a CAA-B Designated Examiner.

PHASE 3

EVALUATION AND APPROVAL PROCESS

All applications are evaluated by CM-B technical personnel to ensure that all applicants meet the international standards and regulatory requirements for the issuance of a CAA-B document, and upon satisfactory completion of the evaluation, applications are approved. The evaluation and approval process can take an average of twenty (20) business days; however, this is an estimated time and processing can go beyond this time frame, due to extenuating circumstances such as verification of documents by a foreign CAA.

PHASE 4

Upon approval, an invoice for payment will be initiated by the Finance Department and sent via email to the applicant. The preferred method of payment is done through the CAA-B website's caabahamas.com payment portal or point of sale at the CAA-B's office.
